Company Goals and Objectives

To build a reputable brand name in provision of the best travel and leisure services associated with quality.

To expose the beauty of nature and wildlife that Tanzania holds at large.

To ease the work of schools by organizing and making bookings for both academic and fun tourists to various regions they wish to go to.

To fully support the growth and development of the tourism sector and the economy of Tanzania.

To establish a concrete market presence as a provider of the most thrilling and best services to the public.

To support the lives of the disadvantaged such as orphans and widows through developing of projects that will equip them with skills from which can earn a living.

The Pledge

Jungle Jewels Expeditions pledges to abide by its moral code of ethical practices in all company and social activities. We hold ourselves accountable to provide the highest standards of service, punctuality, reliability and open communication. We ensure that all of our staff is devoted to the same standards of integrity and common values

Serving The Community

Jungle Jewels Expeditions is committed to helping make the world a better place by preserving the environment, giving back to society through volunteering and donations, promoting human understanding and encouraging global progress.

Business Competitiveness

The current trend towards an increase in the number of tourists entering the country presents an opportunity for Jungle Jewels Expeditions to enter the market and an opportunity to succeed.

Jungle Jewels Expeditions intends to take advantage of this growth and moderate competition in the industry through constant service innovation with a dedicated staff and management, excellent networking and marketing. Service quality delivery and customer satisfaction is the focus of our existence in the industry
